I took over the responsibility of this institution on 4th April 2021 as Principal. I hope and pray that my dear students are in good health during the pandemic COVID-19. Birshreshtha Noor Mohammad Public College is well renowned educational institution in the country. A set of skilled teachers along with your sincere cooperation took this institution to the apex in the education domain of Bangladesh. I firmly believe that your whole hearted support will continue to prepare our children as national assets. Considering the mental state of our children we have circulated a modified academic schedule during the Ramadan. It is just to keep our children in the right track.
